

KG. 2 TO GRADE 12 admission details for the academic year 2025-2026

Online Registration will open on 01.11.2024, 9.00 am onwards.

1. Age criteria for admissions as of 31.03.2025 (as per ADEK guidelines)

KG.2	5 years	Children born between 01.04.2019 to 31.03.2020
Grade 1	6 years	Children born between 01.04.2018-31.03.2019
Grade 2 to Grade 12	Based on the previous school-issued, passed and promoted attested Transfer Certificate and the final marks sheet.	

2. Admission Procedure:

Based on the availability of seats, an entrance test will be conducted at the school on the provided syllabus. Please be informed that the date and time of the entrance test will be communicated to the registered email address. The child's performance in the test will determine his or her final selection. **Please note that the school does not conduct online entrance tests. All entrance tests are conducted on campus and it is mandatory for all prospective students to attend in person.**

Once qualified, a non-refundable registration fee will be collected to reserve the seat until the final admission procedure which will begin in February, 2025. The registration fees will be adjusted with the first-term fees. In the event of cancellation of the reserved seat, the registration fee will be non-refundable. If the applicant does not complete the admission procedure by the deadline, the reserved seat will be cancelled and offered to the waiting list applicant and the registration fee will not be refunded.

3. KG. 2 & Grade 1 :

For the above grades, an age-appropriate written and oral entrance test with no specific syllabus will be conducted at regular intervals at the school premises depending on the availability of vacant seats.

- **Grade 1:** The entrance test will start after **15.11.2024** based on the current availability of seats.

- **KG.2** : The entrance tests will commence in January /February, 2025 depending on the upcoming vacancies.

4. Grade 2 to Grade 12

- The entrance test will be conducted at school for the subjects English, Mathematics and Science. Portions for the same will be available on the website from 01.11.2024.
- The test is conducted in an MCQ format via a digital platform.
- This process will begin in January, 2025 and shall extend until March 2025 (depending on vacancies).

Points to be noted:

1. Registration does not guarantee admission or reserve a seat. The entrance test will be conducted only when vacancy arises in the respective grades.
2. **Students transferring from foreign curriculum schools should register only if they are ready to repeat the same grade from the beginning of the academic year i.e. April 2025.** (These students cannot be promoted to the next grade unless they complete the current academic year and are eligible for promotion to the next grade).
3. **Due to the high volume of registrations, the school will not be able to provide individual updates on the status of your registration.**
